We do custom stirrups. Ask for artwork and pattern prices !!

We can also provide engraving on any of our parts. The polished parts of the horns, rigging plates, 'O' rings, 'D' rings, buckles and stirrups can be engraved with the engravers design or your own.

As each of these is an individual work of art the design prices will vary. Call for a quote on these parts. We will soon have pictures on our web site and in supplements to our catalog.
